

# Outdoor Collections

**Whilst walking take part in this activity finding collections of objects.**

Remember only to collect things from the ground.

## Collection 1: Sticks.

Search for 10 sticks.

How many ways can you sort them?

E.g. Length? Colour? Type?

## Collection 2: Leaves.

Search for 6 leaves.

Put the leaves on the ground and describe one, asking someone else to guess which leaf you are describing.

E.g. It is bigger than my finger, it is shiny, it has spikey ends, etc.

## Collection 3: Stones.

Search for 4 stones of different sizes.

Can you order them in size order?

Can you balance them into a tower?

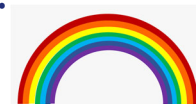

## Collection 4: Flowers.

Search for flowers which have petals for each colour of the rainbow.

Look carefully and take a photo of each flower.

Red, yellow, orange, green, blue, indigo, violet.

Take a photo of your favourite collection
